“ This Truly hurts to find that you've passed. I've thought of you A LOT over the years and wondered how you were doing. It's sad that we lost touch. Best Friends FOREVER as kids and into early adulthood. SO many wonderful memories of spending time with you and your family... Elliot, JJ, and your mom Vicki. I remember your little girl and how we spoiled her when she was so little. I know I'll see you again one day and hear that laugh and see that Beautiful Smile. Love You Beverly Lynn Cogan. Forever and ALWAYS!!

Allison. This is the first I have seen this I had heard Bev had passed away. So let me say. I baptized her in Jesus name and she was filled with the Holy Ghost. So you can be sure she is in heaven. I seem to that my self.

And I also know she loved you very much and spoke often of you and her desire to be with you.
