“ *My sincere condolences to Beverly's family. She will always be with you. My memory of Beverly is from the late 1970's when I was a new hire at TWA. I remember seeing Beverly in operations where we signed in, and someone whispered to me of her outstanding performance with TWA. She looked so beautiful ... tall, elegant, graceful. I wished to emulate her. God bless you all at this special time.*

“ *Condolences to the Cundiff family for their loss. When I joined TWA as a hostess, Beverly was already a legend among the air hostesses group. She was the epitome of grace, style with a genuine kindness she bestowed on everyone she came across. I was always such a pleasure to work with her and follow her lead. God has gained new angel.*

Oh I am so sorry to hear this. Prayers for her entire family. I knew Beverly growing up in Park Plaza. She was such a beauty and so kind to all. I have spoken to her a few times over the years. She was always absolutely so gorgeous and such a sweet person.
