“ *I owe my success to Bill; he hired me right out of college and I learned so much from standard of excellence and perfection in his work. I always said his name fit him; he was not only bright & smart, but he was also bright and always cheerful. I am sadden by his loss.*

“ *Bill and I were often partners as reserve officers with the Platte County Sheriff's Office. I always enjoyed partnering with Bill, because he had a keen sense of humor and always spoke proudly of his family. We had a couple of serious cases we worked together, and it was good knowing that Bill was there, because he was an alert officer and, knowing each other's personalities, we could trust each other through the crisis.*

I would bring my young children to Bill and Kaye's, during tax time or whatever, and he would keep them busy chasing apples in the front yard.

Bill, I will always cherish our friendship and your loyalty.
