“ *I ran into Billie at Fringe Salon year or so ago, she was happy and cheerful as always, excited about getting her hair styled, looking beautiful inside & out! She was so excited & appreciative (and nervous too!) when we would take Ashley on vacation with us through the years. She always gave such watm hugs :) Prayers going out to the Galetti family during this difficult time.*

“ *Barb is one of my dear childhood friends. I have many memories of sleepovers at there house. Billie treated all of us as her own, always so kind. She put up with all of our teenage crap with ease. She never let us leave the house without telling us to be careful. And she always told barb she loved her!! She will be missed on this earth, but she is now in heaven still telling barb and her girls she loves them..no doubt in my mind!*

“ *This is just something I wanted to share. I haven't been close lately but Barbara and I were best friends in high school and there was this one morning after I spent the night... I took a shower and didn't know you're supposed to put the liner on the inside of the bathtub. It stained the ceiling above the dining room table but Billie never did say anything about it. She was one of a kind and I can still see her at that table with a big smile just like it was 30+ years ago. I love you Barbara.*
