“ *I live in the home that Brad's dad and siblings grew up. We all went to the little 1 room school house over the hill. Paul and I worked together as young teenagers and did all things that teenagers do, living the life of Riley to the fullest. Over the last 3 years I have shared a lot of that activity with Brad. I always referred Brad as my little buddy. The reason being Barb and I went snow skiing with the Riley family the first time about 1977 so Brad was small and had skied before. I would follow him and Paul and we would come to a hill and Brad would just disappear with his coat open flapping flying down the slope. Another memory was at Nikki wedding party he sang a song. Labamba I think and what a great fun time. Lisa and all the family I feel your pain and so sorry for your loss. Have my depress sympathy. I will continue to include you in my prayers. John Riley.*

“ *Brad was the kind of person that God wants all of us to be. His life was a success because of the way he lived and treated everyone. He earned the respect of his wife, his son, his family, his friends and anyone he came in contact with. I hope he was proud of himself because we were proud of him. Lisa, Tommy, Joyce, Nikki; I can't imagine the pain you are going through. I hope knowing that he is healed and in Heaven gives you some comfort.*

“ Brad was a very close friend of mine when we were about 12. I vividly remember fishing in the pond with him in the Coves. And trick or treating for a couple of years. A dude down his street handed out full size Hersey bars, and I've always remembered that, and hand out giant Hersey bars because of those memories. Jumping on the trampoline, riding wheelies on the wheelchair, tons of great times with Brad. You are missed.

Brad gave me the most precious gift ever, my son Tom and for that I will always be eternally grateful to him. I am happy that his suffering is finally over. He was a good man and a good father. We were friends and I will miss him. I only wish he could have been around longer for Tom. This will be truly hard on him for a very long time. Sending prayers to his family in this incredibly sad time.
