“ *Brett you are my sunshine.. You always had a smile on your face.
Would always have your hand out for a hand shake and to tell
everone hi and ask them How are you? Some lucky people would
even get a hug. I will miss your "MMMMMM" when I was cooking
something.. Love You Buddy.. I know you are whole once again...*

“ Brett ~ "You taught me way more about life than I ever could have taught you!" Here are just a few of the things I learned from you; patience, don't sweat the small things, compassion, humor and there is always time to dance! You will be missed greatly but we know you are in a better place.

“ Brett Cook lived with us for several years and attended ICAN. Brett was such a joy to our family. He was so happy and always loved to go to the store with my son, Matthew. Brett easily fit into our family. I can see him now sitting on a chair , with a big smile and just watching all the activities. I will keep memories of Brett in my heart forever.

Sincerely,
The Sherman Olson Family

dang mom I am crying reading this. I remember Brett would always go with us places when he lived with us. We took Brett to Worlds of Fun and to the pool to go swimming etc. Brett loved fun and music, and dancing. He was always happy and had a glow about him, with his thumbs up and "Cool" replies after a high five or a hug. I remember when we'd have dinner as a family, and he always was happy when we had hotdogs and hamburgers when Dad would bbq especially. I love the picture Matt and Rachel have of him at their wedding too. Brett was so special and loved to dance and his fave music was country. Also he always had fun on the trampoline outside and when we'd all watch movies together, but especially when him and Dad spent time watching old westerns and funny comedies. Brett and my Dad were good buddies and I know they're good buddies up in Heaven now too. :)
