“ *He was my neighbor at 6814 n holmes. I lived above him. His hilarious antics made me win a large lawsuit and allowed me to retire to florida. I couldnt have done it without him. He was such a kind and generous soul. A calm and loving man. So very polite and gentle. Praise jesus.*

“ Spent many years growing up with you, Brian. From swimming in your backyard pool, to playing basketball at Brad's house Then when you got your driver's license, game changer! My twin brother, Charles, and I will always remember the great times we had bro! To the family, my sincere condolences to all of you. No words of mine can bring comfort, but trust in Father God to comfort you and send you healing. Praying for you...
