“ *We were friends with Carl and Dee for many years before she passed away. We visited in each other's home, went out to dinner together. Carl used to volunteer to be in the nursery at church because he enjoyed watching our granddaughter, Charity, walk on her knees.*

*Carl was always a special person. Always friendly no matter where he was.*

*Our prayers are with you all. God is with you and will see you through this hard time.*

“ Rhonda and Jody may our Lord graciously embrace you in his loving, caring arms to comfort you in the passing of your dad. Your parents were lifesavers in helping Dave and me out with the girls (Michelle and Jennifer Way) to care for them while we were at work. Your dad liked to tell jokes and kid around. He always made you feel welcome in his home. I know this is such a sorrowful time but try to recall all the great times and memories that you carry in your hearts. That will help to make it through this time a bit easier. With heartfelt condolences to you both Wanda (Way) Koehn.
