“ *carrol was truly a citizen of the world...she cared deeply about the state of humankind . she was also proud of the time she worked at TWA and the great mechanics and support groups that kept the planes flying and the customers safe. carrol was a great friend to me and many others she came in contact with....you always knew where you stood with carrol. I will truly miss our talks about politics, TWA memories and our common friendships.....rest in peace honey! John Jennings, olathe, kansas*

“ *Oh, I loved my Carrol! Funny, witty, full of spunk with a heart of gold. I am sure she is in a better place where breath comes easy. I can see her now with a cat on her lap. Melody, please take care of yourself. I know this is hard but feel proud of all the love and care you provided.*
