“ I really enjoyed working with Cheryl over this past year, and I will miss her. We always had the best time laughing during therapy, and she always had a new story to tell me every time I visited. She talked about her family constantly, and how much she loved all of her children. And she talked about Zoey all the time! She was a beautiful lady and will be missed by many.

“ My deepest sympathy and prayer for those left to cherish Cheryl's precious memory. I was a friend and classmate. We had the type of friendship that much time could pass but we picked up right where we left off. God's peace now. I will miss her but never forget her.
