“ *An extremely caring man and great father to his child. My thoughts and prayers go out to all of his family and friends. Christopher Reece*

“ *Chris Wascher was the hardest working man I have ever known. His prices were so fair people blew up his phone, including me. His love of Dilly was so genuine and pure, he always wanted a family and children. I trusted Chris with my daughter. Several times he had to pick up my Lauren from an event or school when I was working. Chris and I have spoken many times since his diagnosis because my brother died from Cancer just two months after Chris was diagnosed.*

Work to live. Do not live to work. I will miss another hard worker, friend, and father.
