“ *Chris was a amazing person I'll always cherish our childhood memories from playing ninja turtles, hot wheels, frisbee, playing in the rainy gutters, making snow men, renaissance festival, parades, plaza lights. There are far to many memories to mention but I'll never forget your smile. I'm praying for you all and hope you find comfort. Thank you for being such amazing people and always welcoming me into your home.*

One of the truly purest souls on this earth and please believe you made your mark on it. Your photography skills were amazing and your laugh was contagious. Until we meet again my friend, rest well.

“ Chris and I didn't talk a lot but I do remember him as a really great person. He was always really quiet but he never acted like he was any better than anyone else. He was a genuinely good person and he will be missed greatly. My heart goes out to the family in this time of great grief and I will keep you all in my most positive thoughts. Rest in the arms of the angels Chris, you will be missed.

“ When I heard about Chris, I hoping it was a bad joke. He was always so sweet. I don't think I ever saw Chris in a bad mood. I remember playing chess with him when I would visit. I remember hanging out and just talking with him while everyone else was still asleep. There was never a bad word to be said about Chris, he was truly a genuinely great person. He will be missed by so many. My heart breaks for him and his family.

“ I am so very sorry guys. I'm struggling to find words that don't sound cheap or cliché and I can't. Chris will always be a part of some of my favorite memories and it's a crime that he's been taken away so soon. I remember him as a real genuine guy and so very kind hearted. May you find comfort.

“ Christopher was like family to me as well as the Steffen Family and their extended family. I had the pleasure of knowing him in high school and after high school as well. Spaghetti night was always fun at the Steffen home. Chris was such a joy to be around and the most gentle spirited man ever. His love of pets and metal music will live on through the lives he touched. I will always remember his smiling face and gentle spirit.
