“ I was deeply sad to learn of Clyde's passing. I also was not aware of Shirley's passing. Our families have been friends since the very early 1960's. We were attending the Kingdom Hall on 15th and Lawn st. Ruthie and I started 1st grade together at John K. Stark. I remember every year they would go on vacation to some wonderful place. I would anxiously await for them to come home so I could hear where they had been, what they saw and did. Then, in 1992, they invited me to go with them on a vacation to Colorado and Yellowstone. I had never seen real mountains, been up close and personal with a bear or seen hot water spew out the ground high into the sky. It was wonderful and I think I amused them with my reactions to it all. I since then have been to Yellowstone 2 more times with my Husband and we even lived in Colorado. Soon in Jehovah's promised new system, we will see them. They will be young and healthy, and will be able to really enjoy life. I know this was their hope. Until that time, we still have such beautiful memories of them.

Ruthie and Clydie, I love you. You and your families are in my prayers. May Jehovah be with you.
