“ *Many years ago, Connie came to me to receive chiropractic care for neck and back pain. Before treatment, with a twinkle in her eye, she would ask me if this treatment was going to make her walk again. It took me awhile to catch on, but there are some that deny their condition and others that have accepted that God's grace is sufficient. Connie's humor indicated she had overcome her disease, and was able to love life fully. Now she gets to love Jesus in the same way.*

“ I have very fond memories of growing up with Connie. We went to Community Christian Church together and we were in Sunday School, youth group and Bible bowl together. Connie was kind hearted and fun to be around. She was a good friend. I'm sure she will be missed by her friends and loved ones but we can take comfort that she knew Jesus and lived for Him. My heartfelt condolences to the family!

“ Connie was such a loving mom and a wonderful woman. I remember when the family lived in Kansas...not too long after the triplets were born and we went to visit. She always had such an upbeat personality, friends and family always came first. Connie always was such a blessing to have around and touched many lives. She will be missed but also very loved.
