“ *Danny and I have known each other and have been friends since he was 17 and I was 15. We share the same birthday except for the year. When we were young we would go to the pool everyday and hang out. Danny would come by my house at night and we would sit in his car and talk and laugh..*

Over the years our lives went separate ways and we would occasionally run into each other. He was a mommas boy which I admired and she always said we were kindred spirits. We both agreed with her.

I always loved Danny and his sense of humor.

I spent time with him later in his life in Oak Grove/Bates City, I was even able to be at the VA when he had to stay in there for a long amount of time trying to encourage him. We never seemed to run out of things to talk about and laugh about.

I know he is in a better place and I can't wait to see him again.

*Much love,
Vickie*
