“ *David was like a father to me, in fact I did consider him my father. We had each other in each others life's sence day 1. David had taught me everything I know to this day, and I can say that it was such a pleasure having him by myside for 38 yrs! My children adored him, his friends adored him and he always seemed to bring the best out in everyone around him! Uncle David, I love you, and thank you for everything, you will never be forgotten!*

“ It breaks my heart for the world lose Dave. He was a kind, giving, gentle soul. I can honestly say that with out him in my life I wouldn't be here today. He rescued me...supported me... believed in me...and gave me the strength to change my life and the path that I was on. There are very few people that touch in our lives in a way that changes them forever...Dave was that person for me. We laughed, sang, drank (when we were too young), cherished our friendship, and loved. He taught me to love people for who they are and not what society thinks they should be. I think of him often and the lessons he taught me...I will forever be grateful. Susan

“ So sad to hear about David's leaving us, he was such a delightful person to be around, I am a cousin from Minnesota. I will always remember the fun times we had as children when his family came to visit. He always made us laugh and am so glad I took the time to see him at his mother's funeral. May he rest in peace. Cousin, Bunny
