

## Diane Trost

November 21, 1960 - March 2, 2016

Diane Marie Trost, 55 of Kearney, Mo, passed away on March 2nd 2016 after a long fight with pancreatic cancer.

Born and raised in Council Bluffs, Iowa, Diane followed her parents to Kansas City in the early 80's and had remained in the area since.

In her life she filled many roles, but always gravitated to, and was most fulfilled by that of caregiver. She was throughout her life a dreamer with great passion who tried to live her life for the moment.

To her family, Diane was a dedicated daughter, mother and grandmother, and to her friends she aimed to treat them as family. She was extremely outgoing and personable with strangers, and had a natural talent for making friends.

Among the many things that brought her joy, were good music, dancing, her animals, her home and making improvements on it, things of beauty and the warmth and love of her friends and family.

Diane was preceded in death by her mother Durene Jorgensen and her first husband David Lidgett. She is survived by her father John Jorgensen of KCMO, brother Leslie (Karen) Jorgensen of Lee's Summit, son Nathan Trost of KCMO, two grandchildren Alivia and Kieran Trost, and two aunts Janice Jorgensen of Council Bluffs and Shirley Drinkall of Elkhart, Indiana. She also leaves behind her longtime companion Kerry Kile of Kansas City, KS, as well as many close friends.

In accordance to her wishes, we will have an informal gathering to celebrate her life which will be held at her home on Saturday March 19th starting at

1pm. Friends and Family are invited and encouraged to contact her son Nathan with any questions 816-695-0009.

“ *Di- I smile when I think of you. I know it has been too many years since we got together. This makes me sad, as our lives took different paths, but you have always been in my heart. I wish I had known and had been there for you.*

*We had such great times which leaves me with great memories of you - for a few years we were inseparable. You were such a great friend, that walked into my life when I really need a friend. When I think of you I think of your contagious smile - I think of "Cherry Bomb" - I think of dancing - I think of Rock Front - I think of the many good times we had - I think of the hours we spent on the phone - I think of a loyal friend.*

*You will be missed girl!!! Love you and we will re-unit some day !!!!*
