“ *Donna was truly an awesome person! She always had a smile for everyone. Even though she preferred to be in the background, she was a major part of the Opry and she kept things running smooth. Whatever needed to be done, Donna made it happen. She had a way of making people feel special. Opry fans sometimes spent as much time visiting with her as they did watching the entertainers. My family has known the Jones family since the days of the Farris Opry. It was an honor for me to be able to work with Donna selling tickets & refreshments at Edgerton, MO. Donna, thanks for the wonderful memories I have of you and your family.*

“ I will always remember the times Donna and I would chat and cut up and tell stories. I can just about remember every conversation I had with her during the show. It's not that I didn't enjoy the show because I did. It was because I had such a great time talking with her while my daughter performed with the band. She had a genuine smile, sense of humor and a love of life. My whole family feels honored to pay her our last respects on Sunday. When someone like Donna passes it chips away at my heart... She was a good person with a wonderful heart and although I try - words cannot describe the loss I feel.

“ I will always remember Donna letting me run around Richmond Opry and Northtown Opry, giving me hot dogs and coke since I was 6. She would always let me go back and help her while my dad played drums for the opery. I have great childhood memories of both oprys and the Jones family. She will be truly missed.
