“ *I am so crushed of learning about Ed's passing, only because his friend, Joe, just passing away! I am a 29+ year friend of Ed and took care of his shopping and house cleaning when he no longer could at Lake of the Ozarks. We talked often by phone after he moved to Smithville to be closer to his kids, but hadn't talked in the last month. It's funny how he had been so much on my mind this past week and was going to pick up the phone today to talk to him. Can't believe he didn't leave my phone number with his kids to contact me if anything happened to him. To the kids I must say, I am so sorry for your loss. Your Dad was a wonderful friend to me and I will never forget him!!!*
