“ *We want to send our deepest condolences to you all over the death of Eric. It was so sudden and has shocked us all. I loved, Eric. Our family loved Eric. Our son regarded Eric as his brother. He was the first person I fell in love with when our family arrived and joined the PCBS family. We spent many pleasurable hours in Eric's company. Know that in your grief, Eric touched more people than you could ever have imagined. Take strength in the knowledge that his time on earth was blessed. We were blessed to have him in our lives. Our prayers go out to you during this difficult time.*

“ I'm still in shock. Little Eric was one of the first consumers I met when I began employment with PCBS. He was such a friendly little chap, great humor, bunches of hugs. Great sorrow and sympathy to his family. He will be greatly missed.

“ I don't know what to say. I guess I thought Eric was pretty invincible and I was looking forward to his 50th birthday. Hugs to Carrie, Tana, Amber and the rest of the family.
