“ *It is so very hard to believe Gary is gone, when the memories of our teen years at the Kasper family reunions are vivid in my mind. As cousins, we did the usual things, such as fireworks, games of football, and cards. But, we also had a synergy for a little trouble. Like the time we crashed another family reunion in that small town of Iona, Mn., population of less than 200. Somehow we made it to the keg, and we also got in trouble! I'm so glad we reconnected on Facebook, but so regretful we didn't in reality! Many thoughts, prayers and condolences to the immediate family!*
