“ *I worked with Glenda at Lifetouch many years ago and she was always a good friend to me. I enjoyed her sense of humor and her honesty. I haven't seen her for a long time and am so sorry to hear of her passing. She was always a joy to be around. I am so sorry for your loss.*

“ I am so sorry to hear of Glenda's passing. I've been gone from KC for 11 years, but I still have great memories of the friends I made at the Lifetouch plant. I especially remember the Caribbean cruise that Glenda, Hope, Rachel and I took. My deepest sympathies to all of her family.

“ Glenda was a dear friend. I had lost touch with her in recent years but I've thought about her a lot from time to time. She was a great lady who treated me like a son and I will always remember her. There are those folks that you meet in life that are something special in their own way and she was one of them. I'm very very sad. Glenda will be missed. God's grace to Glenda, her family, and friends.
