“ *I serviced in the navy with Greg. Good memories. Always wondered what happened to him. So sad to hear he passed and even so long ago and so long. He always told me he was going die young. I never believed him. RIP*

“ *First off I am not sure what to say. I only knew Greg through someone else. The last time I seen him we had a exchange of words. I wanted to apologize to him in person and then I find this out. Sometimes we say things and when you want to make amends it's too late. So when I heard of this news today I was taken back. So Greg I am very sorry for what happened between us. I know how much you was liked by your team. I know they and all your friends are going to miss you. So make amends to those that you can before it is too late. Don't wish any bad thoughts on anyone cause your judgment day will come. So I know when I hear thunder I will picture Greg going on a break and run on GOD.*

“ *Greg was one of the best pool players I have ever been around but what I respect him most for was how close he was to my Brother Bill and how he was so protective of him. He was always really good to his friends and protective.*

“ Greg was a gentleman, on and off the pool table, a friend to everyone, and a great competitor. I respected him tremendously and will miss our conversations and friendly rivalry at the pool table.

“ It was such a shock to hear of Greg's passing. What a great guy. And he was the best pool player, I ever saw. He was loved and admired by so many people, including myself. He will truly be missed. I am grateful to have known him. My prayers are with his family and loved ones.

“ Just heard this morning. What a loss. Greg was an upstanding guy and a first class pool player. I had a lot of respect for him and his style. He will be missed in the community.
