“ *As a youth, I had the pleasure of growing up across the street from the Hass family in Gladstone. I and the rest of the Scholdbergs have many fond memories of that period in our lives. At this time, the Scholdberg family would like to express their deepest condolences to the families of Ron, Rick, Sherri and Hale.*

“ I was lucky enough to spend some time with Hale over the past few months. He had me laughing every time we visited with him and Mary. Our trips to the grocery store let me learn something new about them each time. Hale wanted Werther's candies and the sweetest grapes there were. He had his guy Joe make him a sandwich every week, and they only drink Coke when they eat pizza, which Hale called "junk food." I feel blessed to have gotten to spend some time with him before he passed. I know everyone who knows him will miss him, as will I.

Hale was the best friend i ever had. We went to school together, and joined the Army Air Corps together in WWII. We roomed together in college after WWII and later traveled together with our wives throughout North America on Airstream caravans Even though we spent many years in a close relationship there was never a cross word spoken between us. Hale was a true and wonderful friend which I will greatly miss.

“ I have many memories of my grandpa taking me fishing as a kid. More recently though, the fun and hilarious trips to the grocery store picking out the "expensive" grapes makes me smile and chuckle every time I think of it. He was an amazing man that touched every life he came in contact with. Papa was so loved and respected and will be deeply missed.
