

Holly Ann Cole

December 25, 1983 - September 6, 2016

Holly Ann Cole, 32, passed away September 6, 2016 peacefully at her home. Holly was such a ray of sunshine to everyone who knew her. She always had the most beautiful smile for everyone. The most important thing to Holly was the love for her family and friends. She would do anything for her family. She frequently sent family members cards so they always knew that she was there for them, loved them, and that she was thinking about them. Holly will always be remembered for her love of people, humor, feistiness and selflessness.

Holly is survived by her mother, Joan Cole. Her father Fred Cole preceded her in death. Three brothers, Nicholas (Stephanie), Adam (Dena), Tyler, and Sister Amy Gappa (Dennis); four nieces who were her world, Paige, Aubrey, Kendall and Alexandria; grandparents Jim and Virginia Hooten and Yvonne Cole; and her Aunt Janice, Uncle Jerry and many more Aunts, Uncles, Nieces, Nephews and cousins.

Rest in Peace Sweet Holly.

“ To Joan and family,
The miles that separate us does not ease the heartache and pain I feel. Yeah ole "Peanut and Half Pint" had many fond memories and chats. Please know that God is near and he sees your every tear. The word of God says: To everything there is a season, a time to every purpose under Heaven. A time to be born and a time to die; A time to plant and a time to pluck up that which is planted.
Ecclesiastes 3:1-4.

Message from heaven for you with love.

I've closed my eyes and fallen asleep, so there's no reason for you to weep. This is a debt we all must pay, you WILL see me again someday. I've endured pain and sometimes sorrow, now I don't have a worry about tomorrow.

But life for you must go on, please don't worry because I am gone. You stood by me all the way, when I was down you knew what to say. You always told me to get some rest, Let me sleep now you did your best. So let me rest in peace, the tears you are shedding will soon cease. You'll soon realize that this was meant to be and now God has come for me.

*Love you,
Ronni and family "Peanut"*

“ When Holly was around 3 years old, I asked her if she liked Cookie Monster, Snoopy, or any other little character. She replied, No I like pink and I like pigs”. She was the most adorable little girl. Her sparkly blue eyes and her shy smile will be sadly missed. We love you Holly and our sincere sympathy to those she held dearest.

“ *Holly was such an amazing friend. Since we lived close to each other in our teenage years, we always made time to hang out and chat. We lost touch for a few years, then she found me on Facebook and we started talking again like we never lost touch. She shared with me her health struggles, and I always told her that I would pray for her every day, and I did. My condolences to her family, as this is a tremendous loss to them as well as everyone else that loved her. Heaven gained a beautiful angel. Rest in Paradise Holly! I love you!*
