“ *dear Joyce and family I am so sad this morning after learning of jacks passing. We have all known that this day would come but it doesn't make the heartache any less. I considered Jack a good friend and have known him since junior high school. My image of him was fast cars and anything wild. I'm so happy that he had a great life with his family and his beloved dogs. There will be a big empty place at our next class reunions he was always so much a part of that. May God give all of you the strength to get through this difficult time. Rest in peace my old friend. My love and prayers to all of you*
