“ *Boots, I sure didn't expect to hear the news of you departing, you've escaped the hell and have gone on to heaven and you did it with dignity, peacefully in your sleep.*

My heart did sink and I regret not staying in better touch. Now that you are with our GOD, please watch over your adoring wife and help her to find comfort knowing you are in peace, with no more machines, medications or those doctors prodding and probing. No ambulance rides or hospital stays, you are in a better place.

I will light a bon fire just for you! Rest in Peace my friend, air hugs for now and I'll give you the real ones when I see you again. All my love, Mendy
