

James Thurmond Lewis Sr.

May 17, 1957 - July 8, 2017

James Thurmond Lewis, Sr. 60 of Gladstone, Missouri went to be with his Lord and Savior in the late evening hours of July 8, 2017 with beloved family near by at home. A true man of class and style, many know that James was a professional driver for a limousine service and he was a gifted musician, playing trombone with the Northland Cathedral Orchestra. James was an avid collector of cast model cars. His humor kept everyone on their toes and they enjoyed themselves when he was around. He loved his church family. He considered his brothers and sisters in Christ his second family and he was a faithful man of God with a tremendous testimony. He met his wonderful wife, Delia Robles playing in the Jesus Jazz Band that played at Sheffield Family Life Center; he playing trombone and Dee playing percussion. They were inseparable for a majority of their life together. When James took ill, Dee stayed by his side caring for him until his final breath on this side and his first in Glory. We will certainly miss James here, but we look forward to the Great Reunion! Those left to cherish his memory are his beloved wife, Dee Lewis of the home, children: Deidra Sheppard, James T Lewis Jr. , William Z Lewis and siblings; Lure Robinson , Roy Lewis Sr. , Debra Williams, and Wesley Lewis. A Celebration of James' life will be July 20th at Northland Cathedral 101 NW 99th St KC MO 64155 with Visitation at 6pm and Service at 7pm featuring James' beloved Northland Cathedral Orchestra with a honorable trombone solo by Dr. Chris Waage. Fond memories and words of comfort may be shared at: www.CashattFamilyFuneralHome.com.

“ My Buddy "JT". I will never forget all the nights that we spent together listening to & talking about music & talking smack to each other & laughing til we were in tears in those studio apartments on Linwood. Music brought us together but it was his personality that made us "BROTHERS 4 LIFE.." Dee I am so sorry. I love YA Sis!

“ A tribute to my brother who I will miss dearly. I know he was well loved by many and I thank each and everyone who knew and loved as I did when he was alive. James was always a person who loves to explore and adventure things throughout his life. He would try to do things even when he knew sometimes it wasn't meant for him to do. But one thing in life I know he did achieve was to have a family who stood by his side was there until the very end. I will miss the jokes and laughter we shared and the disagreement that we both had to ourselves. I know he is in a better place and I want him to rest in peace never worry about pain again. Until then my brother I will see you again. Tell the rest of the family you meet in the house of the Lord, hello and I will see you all. But not too soon because I know God still have a few things for me here.
