“ *My best and happiest memories of you darling Jeff was simply your smile that could light up the darkest of times . I loved your eyes and your smile that went so perfectly with your love for life and having a good time . . . When I fixed you up with someone that you would end up marrying I only wanted to see you have a loving family . You did deserve a lot of love in your life . . .*

I don't know what else to say cause my heart is still broken that I didn't get the chance to give all the smiles back that you had given me . . . Maybe later . . .

I love you Jeff . . .
