“ Jesse you were one amazing person that touched so many people's lives...you were a blessing to everyone that had the chance to know you. You will be missed and cherished by so many...I just hope you know just how much you are loved by so many of us that had the blessing of knowing you...I've known you since high school and even though we hadn't talked in so long...when we did, it seemed like time had never passed. I know you are at peace now and I know you will be one amazing guardian angel to so many people just as you were here on earth!! My love, heart, and prayers go out to all who knew you and will forever miss you. Love you Jesse...RIP sweet beautiful angel

“ JESSE MARIE, MAN I'M SO LOST FOR WORDS, I'M NUMB, HURTING..... STEADILY DOING THE SHOULDA, COULDA, WOULD, WISHING.... you set ME on my bed AN says don't talk just listen... you said that you felt your time was coming and as you spoke on I set there and cried... I didn't really believe you would leave me!!!!!!..... The last time we spoke I told you I will always love you and nothing or no one will change my love for you..... AS I set and look at pictures, videos of us our kids I smile and then I'm crying cause reality starts to set in... I know your no longer suffering or in pain and that very thought puts a smile back on my face!!... Now you're in paradise with mom and Wyatt. never would u I imagined this would happened... My kids will always love their AUNTIE JESSE AND MY GRAND BABY'S WILL always love her great auntie Jesse.. FOREVER and always in our hearts... 🤗🤗🤗

“ *Jesse has been the one friend who was my family. The one who would be there when no one else would. Through trials and tribulations we could always count on each other. She will forever be missed. She will forever be loved. RIP my dear. May you suffer no more.* ”
