“ *Our deepest sympathy to all of you. "Wayne" as we only knew him by will be remembered by me as the gentleman who was often seen in a Boy Scout Leader uniform/shirt at Northmoor United Methodist Church where we first met. When Wayne was diagnosed with diabetes, he and I often talked of what was good for us (I having hypoglycemia) to eat. Don't remember for sure, but possibly the BS troop met on the same night as we had choir or other church events. I also remember his gorgeous creations of floral arrangements. Wayne was a gentle soul. Blessings to Lori and the entire family. June and Bob Mitchell*
