“ *Karen was my dearest, best friend. We went through so much together and got to share those times via telephone shortly before she passed. Karen, I didn't know your time was so close. I am devastated that we all lost you. I love you so much and I miss you and our times together. I can't wait to greet you in heaven. Sandy, Leslie, I'm sorry I haven't been in touch. I did not have your phone number and just today thought about trying to contact you through the obituary. Please forgive me for being so stupid. I would love to hear from you. 423-488-4263 or email KenDeborah6@aol.com.*

My love and regards
