“ *To Mike and family--Eric and I are remembering that we were always so tickled when we were able to see Karen at our Cawker City Alumni Banquet every May. She was such a real sweetheart and we both cherish our 50+ year friendship as fellow classmates and friends. Karen and Mike always beat us to the Alumni Banquet and she always saved places for us. She was always so genuine and gracious and will be so missed. The class of '64 has a true star shining down on us. Not only was she REAL but she made the cutest Football Homecoming Queen for the fall of 1963 for the Cawker City Pirates. You will always be in our hearts, dear friend.*

“ *My cousin Karen and her husband and children surprised me and my family in Phoenix one weekend years ago with a get-together while they were on vacation there. We had such a lovely time together. She was very excited to see where I lived and I was so appreciative that she and her family chose to include a visit with us then. It meant the world to me. Karen also never failed to stop by and see my mother, her aunt, whenever she was in Cawker. Those visits with me and my mom were very special, too. Karen always had a bright smile and a sincerely joyful presence.*
