“ *Larry was the senior patrol leader when I started Boy Scouts in troop 305. I've lost track of him for years.*

We just saw he had passed. My condolences to those he left behind.

I will always remember him as the "Big Guy" from the scout troop.

“ *Larry was my brother In law and long time neighbor and acted like my older brother. I will never forget the time Ricke and I lived in Springfield and Larry and Jean were coming down to go boating at Tablerock Lake. It looked like it was going to storm. Dark skies and windy, but he wanted to go ahead and go boating. It turned out to be a beautiful day, the sun came out and we spent the whole day on the lake. Larry and Jean always made me feel welcome. Larry always was doing something to make you laugh. He will be greatly missed.*

“ Jean, we will always remember the hospitality we enjoyed with you and Larry on our various visits. His breakfast-making skills were truly masterful, and we greatly enjoyed his quiet humour. Please accept our sincere sympathy.

“ I remember Larry would blast the stereo in his Ford conversion van and take Brandon and I to soccer games. When he thought no 'adults' were watching- he would take his van and drive it on the grass to make us laugh. He caught a snake in along side the road and made it his pet and let me feed it. He always knew how to make everything fun.

In the summers- Larry and the entire Roth family would have me spend summers with them in Kansas City and were kind and gracious to my entire family; helping us get established during a time of transition.

We consider all the Roths true family friends. We are grateful for having known Larry, his kindness, and friendship.

Our hearts are with him as his spirit lives and moves on.....and with the Roth family.

“ Jean, I am so sorry to hear the news. I knew you worried about Larry's health, but I didn't realize it had worsened to this extent. I haven't talked with you for a while, but I truly appreciated the times we spent with Larry and you during the football seasons. He had such a terrific sense of humor! I don't know that we ever spent a time with the two of you where he didn't have us laughing. I can still see him wearing that sombrero at that bowl game! He reminded me to see the lighter side of life! Truly, if there is anything I can do, even if it is just to talk, please call me. Love to you and your sons...

Jean, my prayers and thoughts are with you and your family. Of course, I have such pleasant memories of Larry. He was in choir and other school activities and had the ability to make friends and be a friend to others. Bill and I visited him when he was in the hospital after a cycle accident. He loved to have fun, and I was privileged to be on the faculty at Park Hill High School when Larry was also on the faculty there. Due to previous commitments I won't get to come to his Memorial, but my thoughts will be there. The Bucker's also shared his Bearcat heritage. Bless all your family! Barbara Bucker

“ Larry will be missed. He was a kind and caring person. I am sorry for his illness and suffering in the last few years--I know he would have enjoyed finishing a few more projects to bless his family if he had been able. God bless you all who loved him and grant you peace and comfort.

“ Larry was a great man and anytime I spent over at the Roth house he always fit in as one of the guys whether it was a poker night or just hanging out watching movies, his humorous and joyful presence will surely be missed.
