“ *Lyle and I grew up together in Avondale. He was one of my first real friends I made in school. I remember all the fun times we had playing in his backyard. I remember Halloween parties with Lyle and he'd always ask, "Are you doing it again next year?" He was the most spiritual kid I grew up with. We had lost touch for many years, just this last Fall we had a conversation on Facebook. Lyle, rest-in-peace up there with the angels.*

To Lyle's family, my family's and I thoughts and prayers are with you at this difficult time.
