“ Mark,
life is a stair case.
laughter and joy.
Sadness and tears.
Things you would never change.
As well as things you wish you could.
You are always in my prayers and thoughts.
I want to give you thanks for memories deep in my heart, and the
memories of watching you with my girls.
Till we meet again.
I hope you here me talk to you everyday.
Love you with all my heart and then some,
Mindy

“ So very sad to hear the surprising news of Mark's passing. I've
always known Mark to be positive and full of life. He always enjoyed
people and a good heart felt debate on any subject. His smile and
passion will surely be missed.

My condolences to his family and may Mark be at Peace!

“ I was so sorry to hear of the passing of Mark. I just learned about it through a friend that I have at Penske Truck Leasing.

Mark worked at the main headquarters for Penske when I met him. I was an area field supervisor and Mark was in charge of distribution of equipment in the Penske system.

I can't tell you how many times he helped me out and what a good friend he became to me. It seems like he was always bailing me out of trouble and when I needed him the most. He always came through. I will never forget when I would call and ask for his help, he would always say, "Oh my gosh, another Dietrich Dilima"

I didn't keep in touch with Mark much, after he and I left Penske, but every now and then I would think of all the great conversations we would have.

It's funny, I honestly thought about looking Mark up on facebook, this past month, then my friend told me he had passed.

I don't know if anybody will read this but just so you will know, many, many of the people that Mark worked with really liked him.

My heart is very sad today.

My best to his family, my God be with you all.

“ Sorry to hear of Mark,s passing. I did not know until today. We were fraternity brothers and friends when we attended Stetson University. He was a really good guy. His sense of humor was sharp . He was so good natured that he was a favorite at the Frat house He was a year ahead of me and always was supper supportive.

I know it was great to see him at homecoming a few years back. Mark will be in thought and prayers. We lost another good one.
