“ *Growing up on Fulkerson Circle in Liberty, Mark was the younger brother of childhood friend Mike. I remember Mark as always having a smile on his face and ready to jump in with whatever the big boys were doing. The connection continued all the way through college (William Jewell) and membership in the same fraternity, Phi Gamma Delta, though I graduated long before Mark got there (9 years difference in age). Cherished memories dominate my thoughts as I join others in mourning Mark's premature death. May God's peace and comfort be with Mark's family and all who feel his loss.*
