I love you and will miss you. You were like a grandma to me. I remember you taking us to church when we were little! You will be remembered fondly! This to me still doesn't seem real because over the years you never aged always looked young and vibrant!

Rick you and your family are in our thoughts and prayers. Your mama was always so sweet when we would come and visit and always took Mrs. Lawrence under her wing. Your Virginia family loves you and our doors are always open if you need to get away.
