“ *I met Mary by "accident" about 9 years ago at my work. She was with Helen, whom I had to get an address from, and when I realized they were from Norborne, and their maiden name was Horine, which was my Grandma's maiden name, our jaws dropped! We discovered their Dad and my Grandma were brother and sister. What a small world! My Dad had lost track and had not seen his cousins for over 60 years. So glad everyone was able to get together for a very long over due family reunion before my Dad passed away in 2007. Mary was such a sweet lady, she and I exchanged Christmas cards until she moved to AZ. I think of you all often; you all are in my prayers.*

Diane, I'm married to Mary's son Richard. She came to Arizona to live with us. We tried very hard to make certain she stayed in touch with everyone from Missouri. I'm so sorry she lost contact with you. She told us the story of how you met. Thank you so much for your message. Please stay in touch with us if you're able.
