

## Mathew Ryan Johnson

October 6, 1976 - January 22, 2015

"Mathew Ryan Johnson, 37, of Raytown, MO., passed away unexpectedly, with his family present, on Jan. 22, 2015 in his home after nearly a three year long brave struggle with pain when a kidney stone surgery had caused him to code and survive, with 2 PE's that left him with nerve damage and other disabilities.

He was a wonderful and loving father, husband, brother, and son. He is survived by his best friend and wife of 7+ years, Amy Johnson and their two children, daughter, Gabrielle Johnson (7) and son, Dalton Reed Johnson (12), and their beloved Frenchie, Sophia Johnson. Matthew is also survived by dozens of loving and heart broken family members and friends.

Matthew worked in the printing industry all of his working life, he loved what he did he worked hard and he met many great people. Matthew had quite the impressive skills, being very detailed, and always trying to find ways to be more efficient, he took great pride in his work.

Matthew was a strong Christian who disliked funerals so there will be a "Celebration of Life" at the Clubhouse at Brentwood condos right off the Plaza starting at 11am. In lieu of flowers, Matthew would have loved for donations to be made to any charity, although he was particularly fond of the rescuing of boxers and french bulldogs."

“ *It is so painful to come here and write anything but there are so many wonderful memories and I never want anyone to think that there isn't. Its just still so hard to write about. Gabby remembers your visits and I know she appreciates them even if it is painful for her to just talk about you babe. We miss you just the same as every day we have had since you have been gone.*
