“ *Randy and I worked together at AT&T (when it was really AT&T). We shared often about work and family. It was also my pleasure to share worship with him. Randy was a friend. I appreciated how he stood for his family. Even though the last few years he has been sick, he made it out to church as often as he could. My prayers are with Carol, Kris, Matt and Mary. May your coming days be filled with the good memories of days gone by and may His Holy Spirit give you strength. Debbie and I will be praying for all of you.*

“ *I love your family and wish I could be there to celebrate and grieve with you. May the Lord Almighty continue to wrap His strong arms around you and comfort you. Love you Wolf and DeMart families!*
