“ *I probably met Miguel at the TWA overhaul base in early 1973. Miguel and I worked together in fleet service. Miguel was a wonderful man. He told me many stories of his days in Cuba and made me realize how much I take freedom for granted. Miguel loved the US for the chance at freedom...he was proud to work for TWA..and he loved his family and friends....my friend will hurt no more as he is resting in the hands of God...rest in peace Miguel....john jennings*

“ *Miguel and his wife, Flora, were very kind to us a few years ago when my family was going through a difficult time. Miguel handed me an envelope at a church service just before Christmas. It was a card and gift that was signed "from Jesus". It was a very thoughtful gesture given at the perfect time. I was very grateful for the thought and support.*
