“ *Aunt Mickie always had a cheerful heart. As a teen I helped paint their home, it was the best job. Talking to her always gave me hope and joy. No matter how bad I thought things were she always cheered me up. My first car was an old mustang, Uncle Raymond helped me fix it up, Aunt Mickie asked me about it, let me talk about it, she encouraged me to take care of it and not be dangerous...everything I needed as a teen. Love her.*
