“ *I have so many memories of Nadine. We had a lot of fun times. I can remember our long conversations about life and Elvis. Yes she loved him so. I can remember her great cooking skills. That woman could cook anything. Most of all I remember her laugh. She was always sweet and hardly ever let life get her down. She loved her sons and husband very much. And her grandkids were her joy. We knew each other for about 40 years. We lost contact there for awhile but when I found her again we just picked up where we left off. Yes she was a special lady who I will miss terribly. Fly with the Angels my friend. Love you.*

She will certainly be missed. I think she was a wonderful example of a wife and mother and her (I believe) favorite till as a grandma. She was a sweet person . She and our mother I truly believe were best friends, she was always there for her. I will always think of the times she would let me treat her to lunch and maybe even a little fun at the casino. She was a wonderful sister and she will live forever in my heart. Love you sis!
