“ *Auntie Pam~*

*Honestly I am still pretty much in denial and a daze that you and Uncle Lee are not with us anymore. Of course a part of me wants to be selfish and have you both back here to make some more memories but it eases my mind that you are both free of disease and pain. So fly with the angels and just know that I miss you SO much!!! I am so thankful that we reconnected and I will save and treasure the texts that we shared in the past few months. Until we see each other again I will carry your love and memories in my heart and every time I see a puppet show I will smile and think of you!*

*I love and miss you so much!!! XOXOXOXO R.I.P.*

*Love your loving niece,*

“ *This song my mom dedicated to my 4 daughter's when they were very young. I never thought this time would come so soon. Her time with us was too short. I know she loved my sister's and myself, my father, all 10 of her grandchildren (she adored her grandchildren) and her family. She was a wonderful grandmother! (Go-Go) they call her. I couldn't have picked a more loving grandmother I I tried. It eases my heart to know that she is at peace now. She is now with my father, my baby boy and her family that has left here for a much better place. My heart hurts so much. I miss you Mom. I LOVE YOU MORE!!! 😊*

“ *I will miss you Sissy!! I know that we've had differences (who hasn't), but the good times were GREAT and outweigh the bad. So many memories, wonderful ones. I promised you that I would look after your beautiful daughters for you and I will. So glad that you are at peace now. Will see you at another time. Love and Kisses, Candy and Layne*

“ *Pam and I shared thoughts, memories, woes and joy via mail, and email. Good times and not-so-good times. As cousins often do, but in most cases not enough. I will miss you very much.. Hugs, Tony*
