“ Phil was 2 years ahead of me at Park College so I didn't know him well my freshman year but as a sophomore I became a member of the Goon Squad. What an experience! Camping out in close quarters & planning our escapades made all the goons have a closeness on a whole different level. Phil was a born leader. I am blessed to have known him. My prayers are with those hurting from his absence.

“ What a wonderful friend at Park College! He was the first person who took me under his "wing" as a brand new freshman. My Aunt Mildred Maris was his 5th grade teacher in Albany, Missouri and had asked Phil to "look after me" those first few scary days. So funny! He walked through the "pub" calling my name! "Webster! Webster! ! Where is this Mary Ann Webster!" He made us all laugh! I loved him! May God bless his family!

“ My older brother. I love him now and forever. The memories are mine and treasured. He knew and that matters above all else.

“ *Phil is a rare individual--he was liked by all who knew him. A great privilege to have known him during and after our college years and though he is already missed, he will be remembered for the fine person he was. Sincere condolences to all the family.* ”
