“ *I went to kindergarten with Becky
We went through school together and
graduated from Oak Park. I was very saddened
to hear about Becky's death. She had a
contagious smile and lit up the room with it.
She was always the pretty girl who wore the
cute clothes. Seemed to always have a smile on her face. May you
have comfort to know Becky was loved. May she have eternal
peace. Words can not express my sorrow for you and my sadness
of Becky's passing.*

She and I went all the way back to elementary school together. What a sweet girl! We shared classroom parties, lots of laughter and finally performing together in high school. After we finally reconnected on FB, I was so happy to see that her smile had not faded one bit! May the Lord comfort you in your time of loss. ~ Don Larson

I just found out about the passing of Becky when I got back from vacation. I was stunned. She just got out of hospital and I thought things were looking up for her. Apparently she passed the day we left. I have spoke to her several times in the last year. Always had big hugs and smiles. My friend from Oak Park and finally reconnected after all these years. She will definitely be truely missed by anyone whoever crossed her path. She had and still does have a beautiful soul. God has a precious angel now. Love to all family especially her two daughters she talked about always.....Jackie (Stead) Bleyhl

This is such sad news. I loved spending time with Becky and all the fun times we spent talking about absolutely nothing! When she moved from La Porte back home I missed her so much. No matter what the situation was she found a way to either bring a smile to my face or somehow make me laugh at myself. ...until we meet again sweet Becky.

Grew up down the street from the family since first grade. We all had Ms Bell as our teacher. We played softball on same team in grade school for the summer as our dads helped coach. We were in Indian Princess thru YMCA a daughter and father group. Played dolls growing up.

My thoughts are with her sisters and all extended family as well as her two daughters and grandchildren .

My condolences-
