Thank you. You have been more than kind to our family. Dad was and still is an amazing man. You have always taken care of us. I'm very thankful for all you have done for my children. Sean still needs some teeth pulled. Lol My dad fought hard but I will carry on his laughter.

Leanne Ryan - July 30, 2015 at 05:44 PM

He was my first love and the father of my children. He has had a full life and is now with his family in heaven. Lots of laughter is going on!

In college we called Bob the life of the party. The summer Bob and Janice spent time at our house, my aunt called him Twinkle Toes.
