

Robert J. Jaime

May 26, 1954 - May 9, 2017

Robert grew up in KC and graduated from Ruskin High in 1972 and Rockhurst University in 1977. He received his Bachelor degree in Business. He then began a vast and wide career in health care consulting that took him to live and work in Houston, OKC, Los Angeles, Denver and Atlanta. He worked for Computer Sciences Corporation, Price Waterhouse, Ernest & Young, Oracle, Cerner Corporation, Mc Kesson, Sisters of Charity of Leavenworth Health System and Xerox.

Although he worked hard, Robert liked to play hard too. As a young man he skied the slopes of Colorado, cycled the mountainside and was learning to rock climb. He played volleyball and lived by the beach while living in LA. He loved to hang out with family and friends eating chicken wings, burgers and his favorite...Mexican Food. He treated Mom and Dad to some great vacations as well, joining them on the trips. He even talked Dad into paragliding.

Robert returned to KC in 2005 to help Mom and be with my brother and I after Dad died. He spent the last few weeks of his precious life attending our Tio Carlos funeral in Vallejo, CA, where he spent time with our Tia, cousins and their families.

A loving Son, Brother and Cousin...a devoted employee and friend...he will be missed by all.
