Shelly Austin - April 19, 2016 at 01:04 AM

“ I still think of you all the time
with tears streaming from my eyes
I just wish that I could hold you
but all I can do is cry.

I know you tried to warn me
you told me you were gonna die
I'm sorry that I didn't believe you
I still just want it to be a lie.

some days are better than others
some days I just want to die
this world is different without you
to you I will never say goodbye.

so much wasted time fighting
saying shit we shouldnt have said
but ma you were always my constant
and all thst fighting I always dred

I love you so much mommy
but this family is falling apart
this life has gotten so crazy
a giant hole left in my heart

the pain doesn't seem to lessen
no matter how much time goes by
sometimes i wish it was all over
and we were flying in the sky.

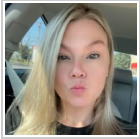

I miss you and I love you
but I know I have to wait
I hope that you're there waiting
when i knock on heavens gate.

until the day comes that I get to see you

*that day when i reach the other side
just know im always thinking of you
in my heart and soul you'll always ride.*

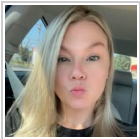

loving and missing you mom.....

“ *Its not getting any easier. I hate today more than yesterday I miss
you more today than yesterday I'm more sad today than yesterday. I
hurt more today than yesterday. As the days pass it seems to get
worse. I can't hear your voice anymore and I don't want to forget
what it sounds like. I love you mom. So much.*

“ *Mom I miss you so much. I watch the video of your life on earth over and over.. You were always too beautiful for this place... It sure is a lot uglier without you.. Until we meet again in the sky mom.... Know that you're always on my mind....*

Shelly Austin - February 06, 2016 at 11:54 PM

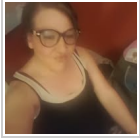

“ *I need you so much mom. There is a monster that grows inside me now that you're gone. He scares me. Its capable of so much destruction. Accepting that you're gone maybe some day I can do but accepting that hospital killed you I can't. The part that hurts me the most is when I took you to the emergency room you looked at me and told me you was dying and I assured you that you weren't. Because you weren't suppose to. I assured you that you weren't and they made me believe you weren't and you weren't suppose to. You shouldn't have died. They should have seen that stuff on that ct from er and they had 2 weeks to treat you. But they missed it and was giving you treatments that made it worse causing gangrene to set into your colon... Wtf? How do I accept that? How do I forgive myself for making you think they were going to fix you. How do I forgive myself for believing they would. Had I known mom I would not have left your side.. I didn't know it was goodbye..... I love you sooooo much mom. I hope you knew that. I know we bumped heads a lot but I hope you knew I loved you and still do. Forever*

Shelly Austin - January 26, 2016 at 03:25 PM

“ Mama I love and miss you so much. This doesn't seem to get any easier. I just wish you were here. I wish this pain would go away. Everyone any one ask me how I'm doing I just want to burst out in tears. I say I'm hanging in there but the truth is.... I'm not good. Not good at all. I just want to hold you. I need you so bad. We all miss you so much. I don't think any of us are OK anymore. It wasn't your time to go this just isn't fair. My heart is so broken I feel like I'm dying I want you more than anything else. Uncle Donnie services were today I whispered and told him to give you big hugs and kisses. They're from me mom. I love you
